

## KWAME NKRUMAH UNIVERSITY

### MEMORANDUM

---

**TO** : All Full Time Students

**FROM** : Registrar

**DATE** : 16<sup>th</sup> June, 2017

---

**SUBJECT** : **ONLINE REGISTRATION FOR THE THIRD TERM**

---

It has come to my attention that many students have not registered for this term. The policy of the university requires that students register for each term and the third term 2017 is no exception. Those students that have not registered for this term will not be able to write their examinations next month and will not be able to register for next term as their accounts would have been locked automatically. In addition, students will not be allowed to attend classes and participate in any academic activity.

All students are therefore encouraged to register online for this term so that they are not inconvenienced in the long run.
