OFFICE OF THE REGISTRAR
MEMORANDUM

TO	:	ALL GRADUATES
FROM	:	REGISTRAR
DATE	:	15 th FEBRUARY, 2023
SUBJECT	:	GRADUATES OWING THE UNIVERSITY AND DEMAND FOR PAYMENT

The above captioned subject refers.

The University Management has noted with dismay that some Graduates have neglected to settle their outstanding fees owed to the University ranging from one to seven years. Further, it has been noted that some students for intakes from 2009 to 2014 collected certificates without settling the debt.

Therefore, all graduates owing the University are required to pay outstanding fees in full **before collection of certificates and transcripts**. Those who may intend to pay installments should pay as follows:

- a) At least 50% by 28th February 2023.
- b) The balance by 31st March, 2023.

No certificate shall be issued without paying fees in full.

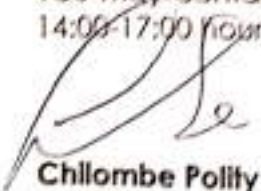

The University reserves the right to cancel uncollected certificates should Graduates not clear the outstanding fees.

Graduates from 2009 to 2014 intakes who collected certificates without settling their fees are advised to pay the outstanding fees in full failure to which the University reserves the right to recall the certificates.

Any fees which will remain outstanding by April, 2023 shall attract penalties and the University may take appropriate action on such Graduates without further notice.

All payments should be made through the University's Bill Muster Account at any ZANACO Branch, ZANACO Express Agent, MTN or Indo Zambia Bank by using the student Number.

You may contact the following numbers during working hours (08:00-13:00 hours and 14:00-17:00 hours): 0776909280, 0954654646/0765255985 for any clarification.
