SUBJECT : SCAMS SOLICITING FOR PAYMENT

It has come to our attention that there are various text messages being sent to students regarding payment of the university tuition, accommodation fees and Higher Education Loans and Scholarships Board (HELSB) loans.

Kindly note that the university does not use agents for all its operations, not even its employees are allowed to transact for and on behalf of the institution in cash or by way of mobile money.

All payments should be done through the Banks namely; Indo Zambia or Zambia National Commercial Bank, Student Bill Muster.

Students that may be victims of these criminal activities are advised to immediately report to law enforcement agencies.

You are informed accordingly.
