DATE : 21ST JUNE 2022

SUBJECT : SUPPORT FOR THE PROMOTION AND OUTREACH OF THE SECURE CONNECTIVITY NAME COMPETITION

The above subject refers.

The European Commission's DG DEFIS, together with DG EAC under the European Year of Youth, on their launch of a competition is inviting students from the EU and AU countries to find a name for their new satellite constellation (the EU space-based connectivity system). It will bring high-speed internet and secure communication services to citizens in Europe as well as to their closest neighbours and partners in Africa.

The competition has been officially launched through this website: [EU Space Name Competition \(europa.eu\)](https://europa.eu). The submission period will run until **31st of July 2022**. The applications will be reviewed in August-September to have the winning proposal awarded by the beginning of Quarter 4 of 2022.
